Join us for an Information Series Workshop

Congratulations! Now What?

Goal Setting and Wrap-Around Care for Substance Affected Pregnancies

Friday, November 29th, 12:00 p.m. – 1:00 p.m.

This is a FREE event sponsored by the Manitoba FASD Coalition and the Manitoba FASD Family Network – Session will run from 12:00 p.m. to 1:00 p.m.

Join us on Friday, November 29th to hear Dr. Heather Watson present on harm reduction principles during pregnancy.

After this session, participants should be able to...

1. Apply harm reduction principles to complex maternity care (social and medical)
2. Use appreciative inquiry to establish patient-defined care goals
3. Develop a social inventory to map out a care strategy
4. Anticipate barriers and stigma that might compromise care for folks with substance use histories
5. Identify community partners to help operationalize care goals in a good way

This session will be facilitated by Dr Heather Watson - a psychosocial ObGyn, with fellowship training in the intersections of psychiatric, social and reproductive health. She is also Director of PreClerkship for Obstetrics and Gynecology at the Max Rady College of Medicine at the University of Manitoba.

The Info Series Workshop will be in the form of a Zoom webinar. Please register in advance.
